

# TRACY HANSON SPEAKING

## **BOOK TRACY TO SPEAK AT YOUR EVENT**

---

After retiring from professional golf, Tracy embarked on a new journey—ministering to other people by unpacking her own story of overcoming harm and abuse and embracing her beauty as a woman of God—getting “out of the rough.”

Christ’s redemptive work in Tracy’s life has given birth to her ministry activities, including speaking. Her mission is to equip and train athletes and those who are instrumental in their success, empowering them to live and play sports with purpose, passion, and hope.
